- Type **B**: Mounting from the operator's side

Handle tube

Aluminum

- Powder coated
Black, RAL 9005, textured finish **SW**
Handle legs black
- Anodized, natural color **EL**
Handle legs black
- Anodized, natural color **ES**
Handle legs silver

Handle legs

Zinc die casting

- Powder coated, textured finish
Black, RAL 9005 for SW / EL
- Silver, RAL 9006 for ES

Cover

Plastic, light gray

Fastening set for type B

Stainless steel

- Socket button head screws ISO 7380-M8-30
- Hex nuts ISO 4032
- Washers DIN 125

INFORMATION

Oval tubular handles GN 335 have an inclined handle profile with a 45° angle. These handles are comfortable and ergonomic to grasp in a variety of applications such as sliding doors.

For type B, socket button head screws, hex nuts and washers are included parts of the order.

The tubular handle can be screwed onto the handle shanks without further modification. This allows even a small quantity of special lengths to be ordered.
