

Guide rail clamps

for GLD-AZ side guides, steel

MATERIAL

Zinc-plated steel.

STANDARD EXECUTIONS

- **MPG-R-AZ-1:** for one-track roller side guides.
- **MPG-R-AZ-2:** for two-track roller side guides.
- **MPG-R-AZ-3:** for three-track roller side guides.
- **MPG-R-AZ-4:** for four-track roller side guides.

FEATURES AND APPLICATIONS

The MPG-R-AZ guide rail clamps are used for fixing the GLD-AZ side guides.

They are supplied in kits including clamps, pin, screw and nut (MPG-R-AZ-1), or clamps, screws and spacer (MPG-R-AZ-2 / MPG-R-AZ-3 / MPG-R-AZ-4).

Supplied unassembled.

ACCESSORIES ON REQUEST

MPG-P: fixing pin (419513 MPG-P16-M10x17) for use in combination with MPG-R-AZ-2 / MPG-R-AZ-3 / MPG-R-AZ-4 clamps.
