

MPG-R-SST

Guide rail clamps

for GLD-SST side guides, stainless steel

MATERIAL

AISI 304 stainless steel.

STANDARD EXECUTIONS

- **MPG-R-SST-1:** for one-track roller side guides.
- **MPG-R-SST-2:** for two-track roller side guides.
- **MPG-R-SST-3:** for three-track roller side guides.
- **MPG-R-SST-4:** for four-track roller side guides.

FEATURES AND APPLICATIONS

The MPG-R-SST guide rail clamps are used for fixing the GLD-SST side guides.

They are supplied in kits including clamps, pin, screw and nut (MPG-R-SST-1), or clamps, screws and spacer (MPG-R-SST-2 / MPG-R-SST-3 / MPG-R-SST-4).

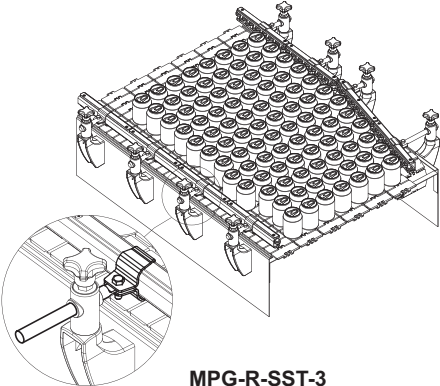

Supplied not assembled.

ACCESSORIES ON REQUEST

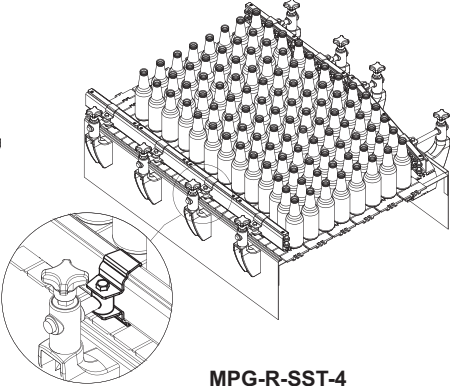

MPG-P: fixing pin (419513 MPG-P16-M10x17) for use in combination with MPG-R-SST-2 / MPG-R-SST-3 / MPG-R-SST-4 clamps.

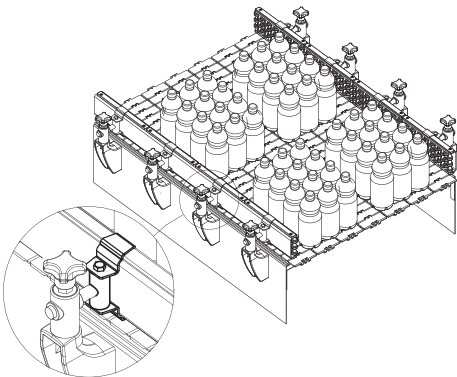

MPG-R-SST-1
