

Subject: UPDATE - NOVEL CORONAVIRUS (2019-nCoV)

March 23rd, 2020

Elesa S.p.A. and Otto Ganter GmbH & Co. KG would like to inform you that, in compliance with the new measures introduced by the Italian Government on March 22, 2020, the Elesa plants in Monza will remain operational until March 25, 2020 to get ready for the suspension of production activities, to ship out goods in stock and secure installations. The production departments and the logistics terminal in Monza will be closed from 26th March to 3rd April 2020. Offices will be operating in Smart Working mode.

Whilst the position in Germany remains as of today, the Ganter plants in Furtwangen will remain operational as per the previous communications.

The Elesa+Ganter Subsidiaries, as well as the entire distribution network will continue their activities of sales and distribution in compliance with local government provisions of law. Of course, the situation may change according to the National directives. If this is the case, we will inform you accordingly.

If you have specific questions related to this subject, please contact Elesa and Ganter at info@elesa-ganter.com.
